

REGISTER ACCOUNT AND LOGIN TO LUMI

This guide is for external users who would like to register and log into Lumi.

The Department of Foreign Affairs & Trade (DFAT) trains Australian officials in international engagement tradecraft, including in areas such as advocacy, negotiation and forecasting strategic planning. Approved externals can **enrol** and **pay online** (where applicable) for DFAT's learning programs via our Learning Management System, *Lumi*.

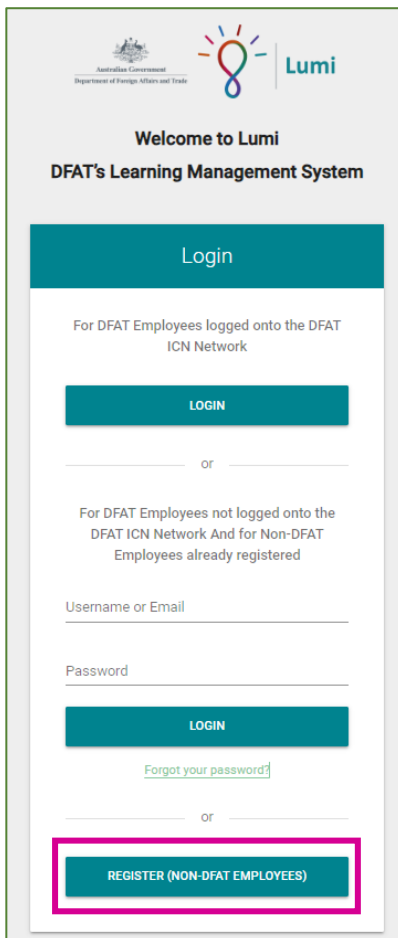

If you are currently an APS employee, it is strongly recommended that you **register using your '.gov.au' email address** as they are automatically authenticated by Lumi.

If you need to register using a *non-.gov.au* email address, please provide detailed information for your reason for registering and a DFAT contact who can verify your need for a Lumi account.
